NAAC PRESENTATION

It is well-known that now we are preparing for Assessment by NAAC. We have divided our teachers in to seven teams for seven chapters of SSR with a team leader for each team and they have been working relentlessly since last year under the able leadership of our NAAC coordinator Smt. Roopleena Banerjee. Though Covid pandemic situation has created unwanted hurdles on our way but our urge and dedication for the college could not desist us from our cherished goal and our team leaders along with their members have changed every negative into positive in this regard. With their whole hearted effort we are now coming close to wrap up our preparation for SSR writing to make it available for expert advice and go for the final preparation and the initiation of registration, the 1st step for PTV. The time is very short and we have to complete the whole process along with the PTV before the completion of the tenure of the present GB in October, 2021 not only to pay respect to the humble wish of our Hon'ble President but also to avoid technical, financial and administrative issues thereafter.

In this context, I am to inform you that it is now time to have a look at the preparation by individual teams of their respective chapters. **Every team has to present their chapter through PPT mode before all staff to make sure that all the datas and modules are incorporated properly in the chapter. If anything is seen left out can be pointed out for appropriate incorporation since the presence of all the members will make it easier.** Two days have been scheduled for this presentation. **On 24th Feb, 2021, 1st, 2nd & 4th chapters have been selected for presentation and chapter 5 will also be there if time permits.** Team leaders and members of the said chapters get ready. In next week we will have another date for the rest of chapters. (This date will be notified later.)

Thus, **all teaching and support staff (account, admission, cash, library and scholarship)** are hereby directed to **be present in my chamber on 24.02.2021 by 11 AM positively for the said purpose without any fail. The attendance is mandatory for the greater interest of the college. All are urged to come with their suggestions and inputs, if any.**
