Notice

I have the pleasure to share with you all that for the 1st time we are going to introduce a purely new and innovative idea of appointing our ex-students those who are now pursuing their Masters in different Universities as **Campus Ambassador** to share their practical views regarding their experience in their place of study with our outgoing Honours students so that our students can organise and make up their minds for their progression to higher studies. This will definitely help, motivate and inspire them in materialising their dreams of getting higher studies. **Graduation Destination Survey Sub-Committee** will coordinate and organise this with the help of IQAC. The goal of this project is to **Know Your Students**.

In view of this following four students have consented to visit our college on Saturday, 20.05.2023 at 12.30 PM to share their views with our 6th Semester Honours students. All the teachers are hereby informed to notify their 6th Semester Honours students to be present in Room No-08 at 12.30 PM positively to interact and get information from their seniors for shaping their plan of pursuing Master degrees. Representatives from all Hons depts. are required to be present in the meeting.
