In reference to the GO vide No.554-Edn (CS)/10M-95/14 dated 21.08.2024 it is to notify all concerned that to fill up the vacant seats in our college after the closing of WBCAP, 2024 on and from 08.09.2024 the Admission Sub-committee of our college has decided to start admission process through online, stand alone mode on and from 08.09.2024 as per the following details.

1. Admission link will be available in the Home page of college website under '**Online Admission 2024**'.
2. The date of opening of the link : 08.09.2024
3. Last date of submission of form for admission : 15.09.2024
4. There will be direct admission in preferred stream/programme.
5. Follow the instructions available in link for error-less and hassle free submission of forms and subsequent admission.
6. Admission will be purely provisional and shall be confirmed after physical verification if all the documents found okay.
7. Physical verification for newly admitted students : 18.09.2024 ( 11 AM-3.00PM at counter no-04)
8. During physical verification production of original documents in support of the information submitted in the form is must. Lacking of any supporting document shall lead to cancellation of the admission.

### **For Stream/Programme selection:**

1. If any candidate wants to pursue UG Degree with Honours/Major Programme must choose any one Major subject from the pool of subjects provided therein. Then choose any two subjects as Minor courses from the pool of Minor subjects.
2. Candidates willing to pursue 3 year Multi-Disciplinary Programme must choose three subjects from the pool of Minor subjects enlisted there in the form.

3. Upload supporting documents.
4. Make payment to the account number provided in the form and upload payment receipt.
5. Students who have already admitted to 3 year Multi-Disciplinary Programme but now want to pursue Major/Honours Programme instead of 3 year MDP can do so by filling the same form available in website. In that case they have to take one of their Minor subjects as Honours/Major and other two shall remain as Minor course. If there is Physical Education as Minor course they have to take another Minor subject replacing Physical Education since Physical Education is not provided in Minor course pools for the Honours/ Major students. Now pay the balance amount (the amount fixed for Major/Honours programme - the amount already paid for 3 year MDP) for Major/Honours Programme and upload the payment receipt. Your stream change is complete.
6. After physical verification students must attend classes directly without any delay.

NB : For any query either submit it through Online mode under 'Admission Query' link available in the Home page of college website or call on this number :9732938692
