7. Tenders must be on **Item rate** basis. Any tender containing **Percentage rates** is liable to be rejected. All rates shall be quoted on the tender form. The amount for each item should be worked out and requisite totals given. Special care should be taken to write the rates in figures as well as in words and the amount in figures only, in such a way that interpolation is not possible. The total amount should be written both in figures and in words. In case of figures, the word 'Rs.' Should be written before the figures of rupees and word 'P' after the decimal figures, e.g., 'Rs.2.15 P' and in case of words, the word, 'Rupees' should precede and the word 'Paisa' should be written at the end. Unless the rate is in whole rupees and followed by the word 'only' it should invariably be up to two decimal places. While quoting the rate in schedule of quantities, the word 'only' should be written closely following the amount and it should not be written in the next line.

8. Rates quoted by the contractor in item rate tender in figures and words shall be accurately filled in so that there is no discrepancy in the rates written in figures and words. However, if a discrepancy is found, the rates which correspond with the amount worked out by the contractor shall unless otherwise proved be taken as correct. If the amount of an item is not worked out by the contractor or it does not correspond with the rates written either in the figures or in the words then the rates quoted by the contractor in words shall be taken as correct. Where the rates quoted by the contractor in figures and in words tally but the amount is not worked out correctly, the rates quoted by the contractor will unless otherwise proved be taken as correct and not the amount.

9. The contractor whose tender is accepted will be required to furnish the performance guarantee.

10. On acceptance of the tender, the name of the accredited representative (s) of the contractor who would be responsible for taking instructions from the College Authority shall be communicated in writing to the Principal/ Convener, P&R SC.

11. During the execution of work all taxes & Cess shall be payable by the Contractor and College will not entertain any claim whatsoever in respect of the same and would be paid by the contractor on the applicable rates as announced by Govt. of India from time to time.

12. All sorts of taxes and cess at the prescribed rate will be deducted at source.

13. If the contractor fails to maintain the required progress or to complete the work and clear the site on or before the contract or extended date of completion, he shall, without prejudice to any other right or remedy available under the law to the Authority on account of such breach, have to pay Compensation for delay of work @ 1.5% per month of delay to be computed on per day basis. Provided always that the total amount of compensation to be paid under this condition shall not exceed 10% of the tendered value.

14. All measurement of all items having financial value shall be entered in Measurement Book and / or level field book so that a complete record is obtained of all works performed under the contract.

15. The final bill shall be submitted by the contractor within three months of physical completion of the work or within one month of the date of final certificate of completion by the competent authority, as the case may be, whichever is earlier. No further claims shall be made by the contractor after submission of the final bill and these shall be deemed to have been waived and extinguished. Payment will be released within three months in favour of the contractor/ agency, as the case may be, through banking instruments.

16. The Contractor shall execute the whole and every part of the work in the most substantial and workman like manner both as regards material and otherwise in every respect in strict accordance with the specifications. The contractor shall also conform exactly, fully and faithfully to the designs, drawings and instruction in writing in respect of the work signed by the Principal. Neither any deviation from the vetted plan nor any extra cost other than the vetted estimate will be entertained, if not instructed in writing by the authority, at any cost.

17. The Principal/PRSC shall have power (i) to make alteration in, omissions from, additions to or substitution for, the original specifications, drawings, designs and instructions that may appear to him to be necessary or advisable during the progress of the work and (ii) to omit a part of works in case of non-availability of a portion of the site or for any other reasons and the contractor shall be bound to carry out the work in accordance with

any instructions given to him in writing signed by the Principal, and such alterations, omissions, additions or substitutions shall form part of the contract as if originally provided therein and any altered, additional or substituted work which the contractor may be directed to do in the manner specified above as part of the works, shall be carried out by the contractor on the same conditions in all respects including price on which he agreed to do the main work.

18. If contractor: i) at any time makes default in proceeding with the works or any part of the work with the due diligence and continues to do so after a notice in writing of 7 days from the Principal ; or ii) commits default to complying with any of the terms and conditions of the contract and does not remedy it or take effective steps to remedy it within 7 days after a notice in writing is given to him or iii) fails to complete the works or items of the work with individual dates of completion, on or before the date (s) of completion, and does not complete them within the period specified in a notice given in writing or iv) shall offer or give or agree to give to any person of Authority or to any other person on his behalf any gift or consideration of any kind as an inducement or reward for doing or forbearing to do or for having done or forborne to do any act in relation to the obtaining or execution of this or any other contract for Authority; or v) shall enter into a contract with Authority in connection with which commission has been paid or agreed to be paid by him or to his knowledge, unless the particulars of any such commission and the terms of payment thereof have been previously disclosed in writing to the Authority or vi) shall obtain a contract with Authority as a result of wrong tendering or other non bonafide methods of competitive tendering.

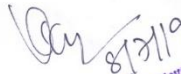

19. The Authority may, without prejudice to any other right or remedy which shall have accrued or shall accrue hereafter to Authority by a notice in writing to cancel the contract as whole or only such items of work in default from the Contract. The authority shall on such cancellation have powers to: a) take possession of the site and any materials, constructional plant, implements, stores, etc, thereon; and/or b) carry out the incomplete work by any means at the risk and cost of the contractor.

20. The contractor shall properly protect and secure the works to the extent necessary.

21. 8 % of the total value of the work will be deducted from the final bill which will be refunded alter 6 (Six) months from the date of satisfactory completion of the total work entrusted to them.
