NOTICE

This is to notify that since we have very poor admission figures in Philosophy, Pol. Science and Sanskrit Honours programs College has been exploring different possibilities to attract some more students in to these Hons subjects and after serious thought and discussions with different stake holders it is now decided that a team of counselors will be appointed to inspire, encourage and motivate students having latent wish to study Honours course but due to unseen and unproven fear and misapprehension are not taking these subjects as their Honours programs so that talented students having promising career can be accommodated in to the fold of these honours programs for mutual benefits. The initiative must be commenced and completed before the closing of registration by WBSU, Barasat to enable the students concerned to complete their registration process.
