

SAMPOORNAA-2020

Internal Complaints Committee of DRBRASM organized SAMPOORNAA programme, an innovative programme in nature and brain-child of our Respected Principal Dr. Chittaranjan Das, in collaboration with college on 16th March 2020 from 11.30AM onwards at room no.8 to honour the service, sacrifice and dedication of the working women in our institution, though small but a strategic step towards gender equality. SAMPOORNAA is an award/recognition which is basically given to a female staff of DRBRASM. The male staff of our college select a female staff as SAMPOORNAA for that year on some specific parameters. This year **Smt. Srijani Ray, Assistant Professor** of our college was selected for **SAMPOORNAA-2020** award. Principal Dr.Chittaranjan Das honoured her with a memento super-scribed **SAMPOORNAA-2020** and Uttariya printed with the name of the award on it. Each female staff were honoured with memento super-scribed '**Symbol of Sacrifice**' and male staff were also felicitated with Tea-cup sets (two pcs each, one for themselves and the other one for their spouses at home, another step of gender equity).
